

BOB MALONE'S

PIANOROCK

The **PIANOROCK** show brings John Fogerty's keyboard wizard **BOB MALONE**, his all-star band, and his gospel-powered **MALONETTÉS** to your venue for a *tour de force* of classic rock.

Through timeless songs and amazing behind-the-scenes stories of his time with Rock N' Roll royalty including CCR's **John Fogerty**, Beatle **Ringo Starr**, heartland rocker **Bob Seger** and more, this show redefines an evening of classic rock. From **The Hollywood Bowl**, **New Orleans JazzFest** and **Radio City Music Hall**, to far-flung juke joints and big-city jazz clubs, Bob and his piano have graced thousands of stages worldwide for over two decades.

Your audience will explore Golden-Age classic rock anthems by **Faces**, **Fleetwood Mac**, **The Band**, **Credence Clearwater Revival**, **Bob Dylan**, **Joe Cocker** and more, transformed into foot-stomping displays of keyboard pyrotechnics. And they will also experience the best of Bob's own catalog of songs — from fist-pumping rockers to cathartic piano ballads.

Bring this electrifying evening to your stage **NOW!**

“ Wondering why nobody writes songs like your old favorites — [the songs] that fueled the soundtrack of your youth? Bob Malone is the kind of guy that could make you weep. ”

- THE NEW YORKER

“ A true virtuoso and crowd-pleaser — he showed that while he is a fantastically technically accomplished player, he fully knows the meaning of showmanship as well. ”

- SHETLAND NEWS

“ If he could find a way to throw that Steinway grand over his shoulder the way a hot dog guitar player does, I think he would. ”

- NOLA DEFENDER

“ Keyboardist Bob Malone may have been the best musician on the stage outside of Mr. Fogerty himself. ”

- PITTSBURGH POST-GAZETTE
